Innovation Grants

Startups are throughout the year of 2022 offered Innovation Grants, a financial support initiative provided by Vinnova and channeled through selected incubators and science parks. These grants are under the state aid regulation, and to be eligible you need to meet the criteria listed below:

Your startup profile must have the following information filled out:

The UN's SDG section (description needs to be provided) ([link to section](#)) ✓

The gender equality section ([link to section](#))

The screenshot shows a web interface for a startup profile. At the top, there is a dark purple header with the text "Startup Profile" in white. Below the header is a navigation bar with several menu items: "Company Profile", "Colleagues", "Information", "SDG", "Gender Equality", and "Innovation grants". The main content area is white and features a section titled "Innovation Grants". Inside this section, a notification box states: "Request has been sent to **SÖDERTÄLJE SCIENCE PARK**" and "You will be notified via email when your request has been attended to."
